

'Making Up People' Reconsidered

Professor Ian Hacking
Philosophy
University of Toronto

A *Fashionable Diseases* Workshop from the author of *Mad Travelers: Reflections on the Reality of Transient Mental Illnesses*, *The Social Construction of What?* and *Historical Ontology*, exploring how scientific classifications such as multiple personality disorder and autism may give rise to a new kind of person and way of experiencing oneself.

15th May 2013

10:30am – 12pm

MEA House Auditorium

Northumbria University

A Leverhulme Project by Northumbria and Newcastle University
